Details

We have been invited by the family of Kenneth Hartzel to join them in honoring the life and military service of their loved one. We will do this by standing the flag line at his interment service.

After staging at the Visitor's Center the mission brief will be given. Flag bikes will then be chosen and relocated to the designated staging lane. The remaining riders will proceed to the assigned shelter to set flags and prepare for the arrival of the procession from the visitor's center bringing Mr. Hartzel, his family and friends. At the conclusion of the committal service, and at the direction of the ride captain, the flags will be retrieved and taken to the back of the shelter where they will be furled and stowed. Once the post mission brief has been given, all riders will be dismissed.

NOTE: There will be no water/support vehicle. Please hydrate the night before and bring your own water.
