

North Texas Patriot Guard Riders

Peter Joseph Bausone

Mission Summary

Classification
Military Branch
Military Service

Military Veteran
United States Navy
Peter "Pete" Bausone honorably served his country from 1969 to 1971. He was trained as an Aviation Electrician (AE) and was stationed in Miramar, California performing maintenance on F4 Phantoms. He deployed on a 1year - 7 months deployment in Viet Nam on the USS Kitty Hawk aircraft carrier as an F4 Plane Captain. During his tour of duty, he was awarded the following Medals and Citations: National Defense Service Medal, Navy Unit Commendation Ribbon, Armed Forces Expeditionary Medal, and the Viet Nam Service Medal.

Part 2 Details	Riders will be briefed and will then assist in establishing the Flag Line and await the arrival of the Family and Friends of Peter Bausone. Upon the Service completion, and at the MRC direction, Riders will move the Flags to the support vehicle, be debriefed, and dismissed.

***** SAFETY NOTICE *****

Before volunteering and/or attending any North Texas Patriot Guard Riders missions we encourage you to review all safety information below.

Included are some potential safety concerns to be aware of, however this does not include the full scope of all potential hazards.

Anyone attending any North Texas Patriot Guard Riders mission understands that they do so at their own risk.

Funeral Processions/Escorts

EVERY RIDER IS SOLELY RESPONSIBLE for their own safety at all times while riding in a funeral procession.

At NO TIME are any riders authorized to block any intersection or otherwise block or impede traffic laws in any way. Only Law Enforcement officials are authorized to block and/or impeded the lawful flow of traffic.

If you choose to fly a flag on your bike you are SOLELY RESPONSIBLE for ensuring it is secured and not a danger to any other rider or traffic.

High Temperatures

It's every RIDER'S PERSONAL RESPONSIBILITY to hydrate prior to attending a mission.

Begin drinking water the night before. Drink water when you wake up and continue drinking water all day to ensure your body stays hydrated.
