Details We have been invited by the family of Larry Lee Saling to join them in honoring the life and military service of their loved one. We will do this by standing the flag line at his inurnment.

We will stage at the Visitor’s Center where the mission brief will be given. The flag bikes will be selected and relocated to the designated staging lane, the remaining riders will then proceed on to the assigned shelter to set the flags and prepare for the arrival of Mr. Saling, his family and friends.

At the conclusion of the committal service, and at the direction of the ride captain, the flags will be retrieved and returned to the shelter storage where they will be furled and stowed. After the post mission brief all riders will be dismissed.

Support Flags only. Please bring your own water.
